MINIMUM STANDARD FOR RE-LET PROPERTIES

1.0 Introduction

- 1.1 Forth Housing Association has a legal obligation to ensure that its properties are maintained in a tenable and habitable condition. In order to conform to this obligation, the Association will, by means of inspection and repair, ensure each property meets a minimum standard at the start of a tenancy.

2.0 Minimum Standard

2.1 Utilities

Electrical	
Safety Check	An Electrical Installation Condition report will be completed.
Pre-Payment Meter	Where a pre-payment meter is in debt, the Association will arrange to have the debt cleared to enable the electrical safety check to be completed. Pre-payment meters will be left in place. It will be the responsibility of the incoming tenant to contact the relevant supplier to have the meter reset/or removed.
Smoke Alarm	Each property will be fitted with the appropriate number of hardwired smoke alarm.
Gas	
Safety Check	A CP12 Gas Safety check will be carried out to the property and copy of the Landlord's Gas Safety Record sheet passed to the tenant
Pre-Payment Meter	Where a pre-payment meter is in debt, the Association will arrange to have the debt cleared to enable the safety check to be completed. Pre-payment meters will be left in place. It will be the responsibility of the incoming tenant to contact the relevant supplier to have the meter reset/or removed.
Water	
	All properties will have a supply of mains cold water and a means of supplying hot water either by a gas fire combination boiler or electric hot water cylinder. A visual inspection will be carried out to check sanitary ware, Hot Water Cylinders, and pipe work for water tightness.

2.2 Elements

Element	Comment
Medical Adaptations	Where installed by the Association these will be assessed for the benefit of the incoming tenant. Where applicable these shall remain in place, and be maintained, for the benefit of the incoming Tenant/family member.
Alterations/Improvements	<p>Any works undertaken without the consent of the Association will be individually assessed. Such work may be removed, or made good, should this</p> <ul style="list-style-type: none"> • not conform to current regulations or Scottish Housing Quality Standard • be unsound, of poor workmanship, or a potential hazard • place an onerous financial responsibility on the Association to maintain it. <p>Where minor alterations/improvements have been carried out without the permission of the Association, e.g. installation of shower, and are of an acceptable standard they may be retained for the benefit of the incoming tenant. Such alterations\improvements may be subject to a rental charge.</p>
General	The property will be visually inspected for signs of wet/dry rot; timber decay, infestation.
Entrance Doors/ Pass doors	<p>Cylinders to\Locks to property shall be changed Be fitted with standard ironmongery (handles, lock\latch & hinges) Nonstandard\additional locks to doors shall be removed and the door made good. Operate and lock freely Be free of holes and dents A minimum of two keys will be provided per lock. Where applicable be fitted with toughened safety glass. Where this cannot be established\confirmed the door\glass will be replaced</p>
Windows will	<p>Be fitted with standard ironmongery (handles, lock\latch & hinges) Operate and lock freely Be checked internally\externally for signs of rot</p>
Glazing will be	<p>Free of cracks and holes Securely fixed in place and watertight.</p>

Kitchen Units	<p>To be securely fixed in place To have matching doors and drawer fronts. Doors and drawers to operate freely Worktops, doors and drawer fronts will be free of excessive cuts/scores, marks, broken laminate. Where works have been undertaken to kitchens without the Association's consent these must equal or improve on original storage capacity .Where this is not the case the kitchen shall be re-instated to the original lay out at the former\tenants expense.</p> <p>Where repair/replacement of fitments is required the Association will endeavour to do so on a like-for-like basis. However, where this is not possible due to the age of the units, the Association may fit a similar finish.</p>
Sanitary Ware will	<p>be watertight and free of cracks which may cause injury or leakage Be in proper working order Have traps securely fixed in place Have plugs and chains in place</p>
Electric Fittings	<p>All socket outlets and light switches to work. To be securely fixed in place. To be free of cracks and holes which are hazardous. To be free of excessive paint; nicotine and other staining. Main light fitting, with bulb\tube, to be in position in each room.</p>
Walls and Ceilings	<p>All ceilings will be free of polystyrene tiles. Textured finishes will not protrude more than 3mm from the flat surface. Wall panelling will be securely affixed, in good condition and not covering any electrical wiring or plumbing. All ceramic tiles must be clean, securely affixed in place, free of extensive cracks and chips and appropriately sealed. All surfaces will be to a decorable standard. Any disused pipes, wiring, etc. will be removed and the surface repaired to a decorable standard.</p>
Flooring & Stairs.	<p>Will be visually inspected. Will be structurally sound. Floor tiling will be left in place unless of poor quality/ in disrepair.</p>
Roof, Gutters and Rain Water Pipes	<p>Will be visually inspected to check for water tightness/any required repairs.</p>

2.3 Sundry

The property, attic space, bin store, cellar, Garden shed	Will be cleared of the former tenant's possessions, unless otherwise informed by the Housing Officer, and be clean and tidy.
Decor	<p>Whilst decor is the responsibility of the tenant the void property should be to the minimum standard as set out in Appendix Two. The Association will make good any decor damaged as a result of necessary works</p> <p>The Association may undertake decoration to meet the minimum standard in Appendix Two.</p>
Soft furnishings/floor coverings	<p>Floor coverings, which are of an acceptable standard as determined by Technical Services, will be left in place.</p> <p>Outgoing tenant will be informed by Technical Services of any sub-standard flooring which they shall be required to remove prior to vacating the property Where this is not done it will be undertaken by the Association and the former tenant recharged any costs incurred.</p> <p>Where floor coverings are left in situ and the incoming tenant does not wish these they shall be removed at the Association's expense.</p> <p>Window furniture may be left in place. Should the incoming tenant not wish these it shall be their responsibility to dispose of same.</p>
Domestic Appliances	All domestic appliances, (unless belonging to the Association); cooker, oven, hob, fridge/freezer, washing machine, tumble drier, etc. will be removed from the property.
Gardens	<p>Will be cleared of all rubbish and unsound structures.</p> <p>Grass will be neat and tidy.</p> <p>Borders and beds will be free of excessive weeds and plants/shrubs trimmed.</p> <p>Cleared of garden furniture and ornaments unless by mutual agreement of the incoming and outgoing tenant, and the incoming tenant assumes responsibility for these items. Where this is the case Housing Management will obtain a copy of this agreement</p> <p>Will be "taken as seen" by the incoming tenant and thereafter will be their responsibility.</p> <p>Fencing will be complete, secure and in a sound condition. Where painted/stained this will be to an acceptable standard defined by Technical Services.</p> <p>Any fence erected without the Association's consent will be removed at the former tenant's expense unless adopted by the incoming tenant in writing.by the Housing Officer</p>

Sheds	<p>Technical Service shall check whether this was erected with the Association's consent.</p> <ul style="list-style-type: none"> • If it has, and the incoming tenant agrees to assume responsibility for the shed, it will remain in place • If the incoming tenant does not assume responsibility for the shed the outgoing tenant shall be required to remove this and make good the garden. • If it has not, but is sound and well maintained and the incoming tenant agrees to assume responsibility for the shed, retrospective permission shall be granted by the Association. • Should the incoming tenants not wish\agree to assume responsibility of the shed this will be removed by the outgoing tenant\ Association and the garden made good. <p>The shed will be cleared of all contents unless by mutual agreement of incoming and outgoing tenant.</p> <p>Housing Management will obtain a copy of any agreement between incoming and outgoing tenants concerning the garden shed and its contents.</p>
Satellite Dishes/TV Aerials	<p>The Association will be responsible for the maintenance of communal digital aerials which it has installed.</p> <p>All other aerials and satellite dishes shall be removed by the sitting tenant.</p>
Cellars/Attic space	<p>Will be clear of all former tenants' belongings</p>
Common Parts	<p>Will be inspected for any necessary repairs and made good.</p>

3. Monitoring and review

The Management Committee will review this policy at least every 3 years and staff are responsible for ensuring that it meets legal and good practice requirements.

Appendix Two Standard of Decoration

Element	Standard
Ceiling.	To be free of; <ul style="list-style-type: none"> • Excessive holes and stains. • Discolouration (e.g. nicotine) • Excessive paint from walls which are poorly cut in. Paint should be applied evenly and clean. Allowance will be made for 'fair wear and tear'
Walls	To be free of; <ul style="list-style-type: none"> • Excessive holes and stains. • Discolouration (e.g. nicotine) • Excessive paint from ceiling which are poorly cut in. Paint should be applied evenly and clean. Where wall paper has been affixed it should be <ul style="list-style-type: none"> • Securely pasted to the surface • Free of excessive tears, rips and wrinkles Allowance will be made for 'fair wear and tear'
Skirting\facings and door frames	To be free of <ul style="list-style-type: none"> • Discolouration (e.g. nicotine) • Excessive runs and drips Paint should be applied evenly and clean. Allowance will be made for 'fair wear and tear'
Window cills\ledges	To be free of <ul style="list-style-type: none"> • Discolouration (e.g. nicotine) • Excessive runs and drips Paint should be applied evenly and clean. Allowance will be made for 'fair wear and tear'
Doors & Windows	To be free of; <ul style="list-style-type: none"> • Discolouration(e.g. nicotine) • Excessive paint runs and drips • Excessive paint from walls which are poorly cut in Paint should be applied evenly and clean. Allowance will be made for 'fair wear and tear'
Electrical fixtures & fittings	To be free of excessive paint. This being paint on the face of the cover plate.

The standard set out above seeks to give broad guidance on the acceptable standard of decoration for re-let properties.

For avoidance of doubt the principle responsibility for assessing compliance with the above will lie with the Housing Officer responsible for reletting the property.

A dulux decoration voucher may be given to the incoming tenant to assist them in meeting the costs of decorating the property. This allowance is based on a cost up to the size of the property.

The paint pack is issued depending on the size of the property and values are listed below:-

Size of Property	Maximum Voucher Value
2apt 2 person flat	£100.00
3apt 3 person flat	£115.00
3apt 4 person house	£125.00
4apt 4 person house	£150.00
4apt 5 person house	£150.00
4apt 6person house	£150.00
5apt house	£175.00
