### **Estate Management Policy**

We would ask if you can have a look at the draft Estate Management Policy and answer the questions below. We would like your thoughts on our Policy as it is in place to set out how we manage our estates and developments.

No	Question	Answer
1	The aim of the Estate Management Policy is to clearly set out Forth's position regarding how we manage our estates and what you can expect from us as a customer whether that's a tenant or owner in relation to landscape maintenance, close cleaning, pets, car parking etc. Do you think we have succeeded?	
2	Is there any section of the Policy which you feel is unclear? If so, please state why?	
3	Is there anything within the Policy to which you would strongly object?	
4	Is there anything you feel should be included within the Policy which has been omitted?	

5	Are there any other comments you would like to make regarding the Policy?
