COMPANY INFORMATION

Forth Housing Association is a not-for-profit housing provider, a "Registered Social Landlord" with the Scottish Housing Regulator (Registration No. 110) and a Registered Scottish Charity (No. SC003550).

Our origins date back to 1987, when a steering group called Stirling Single Housing Group, was established with the aim of increasing the provision of housing for single people in the Stirling area.

Since formal registration in 1988 we have continued to take on new challenges and the Association has a stock of general needs housing, suitable for a wide range of

households, across Stirling City and various communities in the east of the Stirling Council area.

In 2010 the Association established StrathFor Housing Alliance, along with Rural Stirling and Ochil View Housing Associations. This informal Alliance seeks to secure benefits for the member Associations through collaboration and joint working.

We own 958 self-contained properties, and 2 houses of multiple occupation (HMO) which have a total of 8 individual bedspaces, we also own 4 commercial buildings and 1 property used as an office as part of our leased properties. Of the 958 properties 9 properties were acquired through the Mortgage to Rent (MTR) scheme. In addition, we factor 58 privately owned properties and manage 9 shared ownership properties. We are a developing organisation and recently took possession of 48 new homes in Cambusbarron in Stirling with a further 21 due in April 2025

The properties that we are responsible for are situated around the Stirling District Council area.

VISION, MISSION & VALUES

Our vision is to build homes, not houses, supporting and signposting tenants to sustain their tenancies and enabling them to live well in their communities' homes. This involves having a robust governance structure that ensures we adhere to the basics of excellence in accountability and performance management and that facilitates and stretches us towards innovation. Our core values are the tools that guide our decisions and actions, and we prioritise our resources in ways that inspire tenants and staff to have ambition for themselves and their futures.

We see our primary mission to provide people with a well-maintained and affordable property they are proud to call home.

Our emphasis will be on sustainability with a goal of building integrated communities. Services will be easy to use, and we will listen, engage and respond to tenants and partners to make a positive difference to the long-term wellbeing of tenants.

At Forth our values have a tenant first focus with every business decision taken with integrity and fairness ensuring we are looking after tenants' interests in a caring and collaborative way.

We passionately believe in innovation while seeing efficiency, reliability, trustworthiness, and excellence as the norm.

Staff and Committee work as a team in an approachable, open, transparent, and honest way to empower tenants and enable them to be as resilient as they can be in their day to day lives.

Our values of **dignity, respect** and **openness** apply to tenants, staff, management committee and all our partners and we pride ourselves on valuing the diversity all around us.
