Association member***

Registered Scottish Charity No SC003550

What are the benefits of Association membership

Being a member of Forth allows people to actually have a say about how it is run and develops in the future.

The Association employs staff to do the day-to-day work but the overall control lies with the members via a Management Committee.

The committee is made up of members who are elected at the Annual General Meeting.

Members are kept up to date with the Association's activities. They are able to come to the Annual General Meeting and can also vote or stand for election to the Management Committee.

Forth is regulated by government agencies, who seek to ensure that it operates effectively. However it is only through a strong and active membership that we can be sure to maintain

-  Other adult residents of Stirling, Pleau, Bannockburn, Cambusbarron, Fallin, Cowie, Dunblane and surrounding areas.
